

## Day One: Tuesday June 5, 2007

### Open at 7:00 Registration in Ballroom

Registration will move to Blackberry Hall by Noon and will remain there until late Wednesday morning.

### 8:30 – 10:00 Opening Session: Welcome and Intro

**Keynote Speaker:** Michael Wilson "The time has come to re-build chemicals policy from the ground up."

**Location:** Ballroom

### 10:00 – 10:15 Morning Break (Ballroom)

### 10:15 – 11:45 Chemicals Policy Reform – What's new and what's next?

**Moderator:** Ryan Kellogg (Local Haz Waste Mgmt Program King County)

**Speakers:** Ryan Kellogg (Local Haz Waste Mgmt Program King County) and Michael Wilson (UC Berkley)

**Location:** Ballroom

### Sweaty palms – Coping with an HHW facility inspection

**Moderator:** Marni Solheim (WA State Dept. of Ecology)

**Speakers:** Mac Davis (WA Department of Labor and Industry) "Labor and Industries' inspection procedures for HHW facilities"

John Sherman (Tacoma-Pierce County Health) "To Be Announced"

Scott Windsor (City of Spokane) "To Be Announced"

**Location:** Theater

### Silent but deadly – Controlling airborne chemical exposure

**Moderator:** Dave Waddell (Local Haz Waste Mgmt Program King County)

**Speakers:** Dave Waddell (Local Haz Waste Mgmt Program King County) "The Virtual Indoor Air Quality Inspection"

Laurie Foster (Local Haz Waste Mgmt Program King County) and Sharon Schoenfeld (Local Haz Waste Mgmt Program King County) "Controlling Chemical Exposures in Nail Salons"

Paul Marchant (WA Dept. of Health) "Site Assessments in the Workplace: Use of Indoor Air Screening Values"

**Location:** Barley Room

### 11:45 – 1:15 LUNCH (Blackberry Hall)

### 1:15 – 2:45

### Product stewardship – National perspective, local action & you

**Moderator:** Dave Galvin (Local Haz Waste Mgmt Program King County)

**Speakers:** Sego Jackson (Snohomish County) "Organizing Local Governments for Effective Action"

Dave Galvin (Local Haz Waste Mgmt Program King County) "Update from San Francisco: the National Product Stewardship Institute's Forum, May 30 & 31, 2007"

Scott Cassel (Product Stewardship Institute) "Product Stewardship Institute: Paint Dialogue and Product Stewardship Overview"

**Location:** Ballroom

### Latex paint – Beyond bulking boring beige

**Moderator:** Dave Nightingale (WA State Dept. of Ecology)

**Speakers:** Dave Nightingale (WA State Dept. of Ecology) "National Paint Product Stewardship – Light at the end of the tunnel!"

Jim Quinn (Portland Metro) "Third party certification of recycled paint"

Al Salvi (WA State Dept. of Ecology) "To be announced"

**Location:** Theater

### Risky business - Case studies of scary businesses

**Moderator:** Dave Waddell (Local Haz Waste Mgmt Program King County)

**Speakers:** Dee Williams (WA Dept. of Ecology) "RISK is everywhere!"

Rebecca Paul (Oregon DEQ) "Erwin's House Horrors"  
Dave Waddell (Local Haz Waste Mgmt Program King County) "Explosive Basement"

**Location:** Barley Room

### 2:45 – 3:00 BREAK in Blackberry Hall

### 3:00 – 4:30 King County's innovative upstream focus on chemicals

**Moderator:** Rachel Donnette (Thurston County Environmental Health)

**Speakers:** Dave Galvin (Local Haz Waste Mgmt Program King County) "No more HHW – we need to focus upstream"

Ryan Kellogg (Local Haz Waste Mgmt Program King County) "Responding to New and Emerging Priorities"

**Location:** Ballroom

### **Innovative perspectives on managing waste paint**

**Moderator:** Mark Bronson (Lewis County)

**Speakers:** Alexandra Thompson (King County Solid Waste Division) "Latex Paint Disposal and Collection Options –To end collection of latex paint or not?"

David Allaway (Oregon DEQ) "Latex Paint: Do We Want a Loss Leader for HHW Collection Programs?"

Mark Bronson (Lewis County) "Paint Collection from a Rural County Perspective"

**Location:** Theater

### **Becoming Dr. Science - Chemical info at your finger tips**

**Moderator:** Dave Waddell (Local Haz Waste Mgmt Program King County)

**Speakers:** Steve Gilbert (Institute of Neurotoxicology and Neurological Disorders) "Toxipedia – Connecting Science and People"

Dave Waddell (Local Haz Waste Mgmt Program King County) "Lab Chemicals Database Preview"

Brian Westra (Local Haz Waste Mgmt Program King County) "Finding and analyzing (free) information sources"

**Location:** Barley Room

**4:30 – 5:30 Afternoon Break**

**5:30 – 7:30 Happy Hour! Vendor Reception, Drinks and Barbecue (Blackberry)**

## **Day 2: June 6, 2007**

**8:30 – 10:00 Innovative HHW collection efforts**

**Moderator:** Mike O'Donnell (Philip Services Corporation)

**Speakers:** Mark Bronson (Lewis County) "HHW Collection in a rural county"

Debbie Humphrey (Metro Central Household Hazardous Waste Facility) "Metro Roundups – A HHW Facility on the Move"

Chad Ficek (Lane County) "Agricultural Chemical Collection Events in Lane County – Things I knew, things I learned and things I wished we had asked."

**Location:** Barley Room

### **Breaking the mold - New projects to address priority wastes**

**Moderator:** Abby Boudouris (Oregon DEQ)

**Speakers:** Abby Boudouris (Oregon DEQ) and Pete Erickson (Cascadia Consulting) "Oregon DEQ Priority Assessment"

Liz Tennant (Local Haz Waste Mgmt Program King County) "Steering a New Course in King County, Washington"

**Location:** Theater

### **Down on the Pharms - Environmental strategies for waste drugs**

**Moderator:** Sego Jackson (Snohomish County)

**Speakers:** Cheri Grasso (Local Haz Waste Mgmt Program King County) "Washington State's Take Back Pilot for Household Pharmaceuticals"

Will Perry (Local Haz Waste Mgmt Program King County) "Managing Pharmaceutical Wastes from SQG Businesses"

Jim Beck (Clean Harbors) "Pharmaceutical Wastes – A Vendor Perspective"

Janet Gillaspie (Environmental Strategies, LLC) "Building an Oregon Drug Take Back Program"

**Location:** Ballroom

**10:00 – 10:15 Morning Break (Blackberry Hall)**

**10:15 – 11:45 Herding the gizmos - Electronic waste options**

**Moderator:** Scott Klag (Portland Metro)

**Speakers:** Jan Whitworth (Oregon DEQ) "Oregon Electronics Bill"

Jay Shepard (WA Department of Ecology) "Implementing Washington's Electronic Product Recycling Law"

Sego Jackson (Snohomish County) "Preparing for January 2009 in Washington"

Lauren Cole (LHWMP in King County) "Mercury, Take It Back Network and E-Waste Ties"

**Location:** Theater

### **Working together - NW NAHMMA chapter meeting**

Dave Waddell, Local Hazardous Waste Management Program King County

Lisa Heigh, Portland Metro

Mike O'Donnell, Philips Services Corporation – HHW Business Manager

Ryan Kellogg, Local Hazardous Waste Management Program in King County

**Title of Presentation:** Chapter Election, News and Planning

**Location:** Ballroom

**11:45 – 1:15 LUNCH (Blackberry Hall)**

**Lunchtime speaker:** Philip Dickey, WA Toxics Coalition

**Title:** Swimming against the chemical tide with Dr. Phil

**1:15 – 2:45 Beyond brochures - Are there effective HHW education strategies?**  
**Moderator:** Lisa Heigh (Portland Metro)  
**Speakers:** Dave Galvin (Local Haz Waste Mgmt Program King County) "Can the fish see any difference?"  
Cedar Bouta (WA Department of Ecology)  
"Reducing Toxic Threats: Statewide Household Survey"  
Mark Bronson (Lewis County) "HHW education in a rural county"  
**Location:** Ballroom

**Step back from exposure - Precautionary perspectives**

**Moderator:** Ryan Kellogg (Local Haz Waste Mgmt Program King County)  
**Speakers:** Steve Gilbert (Institute of Neurotoxicology and Neurological Disorders)  
"Precautionary Assessment - Communicating Values in Risk Assessment"  
Tracee Mayfield (Local Haz Waste Mgmt Program King County) "Principle – Examples of Evidence of Human Health Risks"  
Cynthia Balogh (Local Haz Waste Mgmt Program King County) "Bisphenol a: Approach with precaution"  
**Location:** Theater

**Healthcare and the environment**

**Moderator:** Laura Schleyer (WA Department of Ecology)  
**Speakers:** Laura Schleyer (WA Department of Ecology) "Washington Hospital Sweeps"  
Tom Badrick (Legacy Health Systems) "Healthcare Chemicals, friend or foe"  
Nancy Gummer (Good Shepard Medical Center)  
"Toward Sustainable Food Service"  
**Location:** Barley Room

**2:45 – 3:00 BREAK in Blackberry Hall**

**3:00 – 4:30 Smooth HHW collection processes**

**Moderator:** Dave Nightingale (WA State Dept. of Ecology)  
**Speakers:** Marni Solheim (WA State Dept. of Ecology) "HHW Facility Dos and Don'ts"  
Susan Bruning (Clean Harbors Environmental Services) "Proper Packaging of HHW"  
Charlene Gallagher (City of Tacoma) and Dan Sharlow (City of Tacoma) "How to Be a Smooth Operator"  
**Location:** Ballroom

**Fluorescents, thermostats & product stewardship - Now's the time**

**Moderator:** Lauren Cole (Local Haz Waste Mgmt Program King County)  
**Speakers:** Lauren Cole (Local Haz Waste Mgmt Program King County) "Product stewardship approaches to recycling CFLs and linear tubes"  
Scott Cassel (Product Stewardship Institute)  
"Product Stewardship Institute: Thermostat and Fluorescent Lamp Dialogues and Projects"  
Gail Savina (Local Haz Waste Mgmt Program King County) "Recycling Mercury Thermostats: King County's Experience"  
**Location:** Theater

**Innovative approaches to small business projects**

**Moderator:** Dave Waddell (Local Haz Waste Mgmt Program King County)  
**Speakers:** Hugh O'Neill (WA State Dept. of Ecology)  
"Lean Manufacturing to Achieve Small Business Pollution Prevention"  
Bradly Zulewski (Thurston County Environmental Health) "Reducing Mercury and Silver in Medical and Dental Wastewater"  
**Location:** Barley Room
